

## CLIZIA CEILING-WALL PIXEL

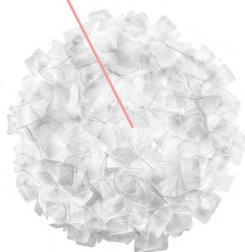

DESIGN BY ADRIANO RACHELE

September, 2018

Handcrafted from interlocking Cristalflex® petals, complete with a magnetic system that allows for easy installation and cleaning, Clizia Pixel ceiling (or wall sconce) is covered in a white, tech-inspired pattern.

A white dusting inside the decorative elements helps evenly distribute the light without glare.

Available in three sizes, as well as suspension and applique.
